### **Rationale for the Camp**

The theme for the winter camp is “**Explore the world in 5 days**”. Through these 5 days, students will have the opportunity to learn about the culture of people living in different continents around the world including: language, food, dress, festivals. They will also engage in hands-on activities that will expand their experiences in making international food such as pizza and craft making. The goal is to build students’ knowledge of the world both theoretically and practically whilst improving their English language competence.
